

§ 800.150

7 CFR Ch. VIII (1–1–13 Edition)

§ 800.150 Maintenance and retention of records on fee schedules.

Agencies, contractors, and approved scale testing organizations shall maintain complete records on fee schedules. These records consist of (a) a copy of the current fee schedule; (b) in the case of an agency, data showing how the fees in the schedule were developed; (c) superseded fee schedules; and (d) related information required by the Service. These records shall be maintained for 5 years.

(Approved by the Office of Management and Budget under control number 0580–0011)

§ 800.151 Maintenance and retention of records on space and equipment.

(a) *Space*. Agencies shall maintain complete records on space. These records consist of (1) a description of space that is occupied or used at each location, (2) the name and address of the owner of the space, (3) financial arrangements for the space, and (4) related information required by the Service. These records shall be maintained for 5 years.

(b) *Equipment*. Agencies shall maintain complete records on equipment. These records consist of (1) the description of each piece of equipment used in performing official inspection or Class X or Class Y weighing services under the Act, (2) the location of the equipment, (3) the name and address of the owner of the equipment, (4) the schedules for equipment testing and the results of the testing, and (5) related information required by the Service. These records shall be maintained for 5 years.

§ 800.154 Availability of official records.

(a) *Availability to officials*. Each agency, contractor, and approved scale testing organization shall permit authorized representatives of the Comptroller General, the Secretary, or the Administrator to have access to and to copy, without charge, during customary business hours any records maintained under §§ 800.146–800.159.

(b) *Availability to the public*—(1) *Agency, contractor, and approved scale testing organization records*. The following official records will be available, upon request by any person, for public inspection during customary business hours:

(i) Copies of the Act, the regulations, the standards, and the instructions;

(ii) The delegation, designation, contract, or approval issued by the Service;

(iii) Organization and staffing records;

(iv) A list of licenses and approvals; and

(v) The approved fee schedule of the agency, if applicable.

(2) *Service records*—Records of the Service are available in accordance with the Freedom of Information Act (5 U.S.C. 552(a)(3)) and the regulations of the Secretary of Agriculture (7 CFR, part 1, subpart A).

(c) *Locations where records may be examined or copied*—(1) *Agency, contractor, and approved scale testing organization records.* Records of agencies, contractors, and approved scale testing organizations available for public inspection shall be retained at the principal place of business of the agency, contractor, or approved scale testing and certification organization.

(2) *Service records.* Records of the Service available for public inspection shall be retained at each field office and at the headquarters of the Service in Washington, DC.

§ 800.155 Detailed work records—general requirements.

(a) *Preparation.* Detailed work records shall be prepared for each official inspection, Class X or Class Y weighing, and equipment testing service performed or provided under the Act. The records shall (1) be on standard forms prescribed in the instructions; (2) be typed or legibly written in English; (3) be concise, complete, and accurate; (4) show all information and data that are needed to prepare the corresponding official certificates or official report; (5) show the name or initials of the individual who made each determination; and (6) show other information required by the Service to monitor or supervise the service provided.

(b) *Use.* Detailed work records shall be used as a basis for (1) issuing official certificates or official forms, (2) approving inspection and weighing equipment for the performance of official inspection or Class X or Class Y weighing services, (3) monitoring and supervising activities under the Act, (4) answering inquiries from interested per-

sons, (5) processing complaints, and (6) billing and accounting. These records may be used to report results of official inspection or Class X or Class Y weighing services in advance of issuing an official certificate.

(c) *Standard forms.* The following standard forms shall be furnished by the Service to an agency: Official Export Grain Inspection and Weight Certificates (singly or combined), official inspection logs, official weight loading logs, official scale testing reports, and official volume of work reports. Other forms used by an agency in the performance of official services, including certificates, shall be furnished by the agency.

§ 800.156 Official inspection records.

(a) *Pan tickets.* The record for each kind of official inspection service identified in § 800.76 shall, in addition to the official certificate, consist of one or more pan tickets as prescribed in the instructions. Activities that are performed as a series during the course of an inspection service may be recorded on one pan ticket or on separate pan tickets. The original copy of each pan ticket shall be retained by the agency or field office that performed the inspection.

(b) *Inspection logs.* The record of an official inspection service for grain in a combined lot and shiplot shall include the official inspection log as prescribed in the instructions. The original copy of each inspection log shall be retained by the agency or field office that performed the inspection. If the inspection is performed by an agency, one copy of the inspection log shall be promptly sent to the appropriate field office.

(c) *Other forms.* Any detailed test that cannot be completely recorded on a pan ticket or an inspection log shall be recorded on other forms prescribed in the instructions. If the space on a pan ticket or an inspection log does not permit showing the full name for an official factor or an official criteria, an approved abbreviation may be used.

(d) *File samples*—(1) *General.* The record for an official inspection service
